 - Electrical Requirements: 115 volts AC, single phase, sole use of 30 ampere circuit.

Xerox Copy Service Agreement

CUSTOMER COPY **2**

Xerox 720*

1. Install _____ 720's.
2. We agree to pay a basic monthly use charge of \$25.00 for each 720 installed.
3. We agree to pay for copies, based on the number of consecutive copies from each original, on each 720 installed, at the following rates:
 - The first 3 copies are.....\$.04 per copy
 - The 4th through 10th copies.....\$.02 per copy
 - The 11th, and all successive copies, are.....\$.01 per copy
4. In any calendar month there will be a minimum charge of \$200.00 for each machine, in addition to the basic monthly use charge. (There is no minimum billing for the first calendar month of installation.) We will forward the completed meter card to Xerox on the last working day of each month.

We understand that the above charges include all machine maintenance, inspections, adjustments, part replacements (except supplies and the 914 Drum on which the cost is shared by us and Xerox and which remains the property of Xerox at all times) and repairs, as described on the back of this agreement.

Xerox will invoice us for the basic monthly use charge, and also for the copies made during the month, or the minimum meter charge, whichever is greater. We agree to pay this invoice upon receipt, without discount.

Transportation charges will be paid by Xerox to destination city. Local delivery charges and rigging expenses will be paid by us. The equipment remains the property of Xerox, which may supply either new or reconditioned equipment at its sole option.

This agreement may be cancelled by us and/or Xerox Corporation at any time upon notice of fifteen (15) days.
